

HUB4 is a Sundaia plug & play interconnection box with additional expansion terminal that compatible with Sundaia Bayonet plug.

Electrical details

Rated Voltage	30 V
Rated Current	0,5 A
Withstand Voltage	AC 500 V (50 Hz) at 1 minute
Insulation Resistance	≥ 500 M Ohm
Contact Resistance	$\leq 0,03$ Ohm
Actuating Force	3 to 20 N

Mechanical details

Operating Temperature Range	-25 C to + 85 C
Enclosure Material	ABS N150UV, V-0
Connector & Terminal Material	Brass strip 0,8 X 4mm, Nickel Plated (low resistance)
Screw Materials	Brass, M3 philips Screw
Maximum Torque Value	8 kg / cm ²
Product Dimensions (Height x Diameter)	40 x 90 mm
Nett Product Weight	300 gr
